Offg. Secy's orders of 3.7.02 on the attached Council resolution giving promotion to Mr Dauy. Sd (21)

After issue of the order reports this to the Residency.

Para 2 of G.O. No 9651-92 dt 14/12/98 states that such reports are necessary only in cases of the officers whose appointments in the State are sanctioned by the Govt. of India. But as the appointment of Mr Dauy is not so sanctioned by Govt of India, there is no necessity for his present promotion being Communicated to the Residency — moreover when Mr Dauy's pay was raised to Rs 600 & 700 no reports were sent to the Residency

2. This report is wanted independent of, and in addition to, the information furnished in the annual return of Europeans and East Indians in the service of the Mysore State.

The accompanying draft was prepared by me with the view of re-porting to the Hon&ble the Resident, in accordance with the usual practice, the increase of pay whic was recently sanctioned to Mr. Davy

The Resident's request on this subject, as contained in First Assistant Resident's letter No. 638/98-92 dated 24th. February 1893, is, that a special report should be sent to him "when an in-"crease of pay or a change of ap-"pointment is sanctioned by the "Durbar in the case of Europens "who have no official status in "British service but whose employ-"ment in Mysore has been sanction-"ed by the Government of India". Under the strict terms of that communication, no report need be

Vide printed Proceedings post A

made to the Residency in Mr. Davy's case, as his appointment which dated from before the Rendition was not sanctioned by the Government of India. I however put up the draft because, in a reference recently disposed of, the Residency asked for information as to why promotions were not reported in the case of ~~two~~ two old officers viz., Mr. Tate (of the Military Stores) and Mr. W.E. North.

Vide D. No. 2 in the File C

In view however of the remarks of the 2nd. Councillor on the draft, I submit that the draft need not issue. We may wait and see whether the Residency raise any objection.

addition. There are so few left, only two of this description. Refer to the history of services. His service began in 1893 although the Residency helped him by giving him a prior date. Correct the service history as per order dated 12th July 1902."

In accordance with the above order, a draft was put up ~~to the Auditor~~ (to the Comptroller) ~~and he~~ enquiring whether the necessary alterations have been made in the Service register of Mr. Davy as well as in the history of service of the Gazetted officers. on it the following order was passed by the 2nd Councillor -

" See service Registe

maintained in such case? If not, all that we have to do is to wait till the next History of Gazetted Officers appears and then to point out to him an omission therein, if any. please however refer the Comptroller to the said order and ask him whether he has noted it for entry in the next issue of the History. (Office note continued)

Enquiry was made in the Comptroller's Office as to whether service Registers are maintained in the Comptroller's Office and it is ascertained that service Registers are not maintained in his Office but a general Register is maintained in which all the changes are noted as pointed out. In the case of Mr Davy the instructions issued

in the prop. of July 1900 are noted for entry in the next ~~item~~ issue of the History of service of the Gazetted officers.

From P. C. V. Fernanyz Esquire B.A.,

To L. Anantaswami Row Esquire B.A.
Offg. Secretary to the Government of Mysore
General & Revenue Departments

Sir,

I beg to advert to my office No. 5869/345, dated 13th May 1901, and in reference to the recommendation made for a Jaravaraike consideration of Mr. Davy's application for increase of pay, I beg to press upon the attention of Government the circumstance that he had no increase of his pay since the last five years, but that his work has largely increased in consequence of the growing organisation of the Department. In justice to this officer I must say and I do so with the greatest pleasure that he has his heart and soul in the department, and with a mark of appreciation of his work by an addition to his pay, he would devote himself to work with entire singleness of purpose which cannot but benefit the interests of Government. He has to travel very much, and he is month after month put to heavy expense; true he earns his travelling allowance. But notwithstanding that, travel causes a drain on the income to a certain extent. Having regard to the

2nd

fact that he holds the position of the Deputy Commissioner of Excise and that his pay is not, as I believe, better than that of a first class Assistant Commissioner in the Madras Abkari Service, I beg to urge once more that Government may be pleased to sanction an increase of one hundred rupees to his pay at least from the commencement of the next official year, and that early orders may be kindly issued which Mr. Davy has been long expecting.

I enclose copies of Mr. Davy's letters Nos. 1241, dated 15th January 1902 and 938, dated 8th January 1901.

I have the honor to be,

Sir,

Sir

Seeing that I have been drawing
the same pay for the past 4 years
although in Government Proceedings

Ex. 324'
am ordered to exercise the same
powers as those of the Deputy
Commissioners of Districts as regards
my office establishment, you were
pleased to submit my name to
Government for increment of pay
in September 1899. But, as no reply
has, as yet been received, I have
the honor to request that you will
be so good as to make another
reference recommending that
whatever rule is being applied
to Deputy Commissioners of Districts
may also be applied to me and
that Government may be pleased
to pass early orders as my present

my status and also to meet the
